

ASHLY ABRAHAM

Dumont, NJ 07628
ann.ashly@gmail.com
2015407734

A career in the field of engineering with opportunity to utilize educational background and work experience.

Authorized to work in the US for any employer

Work Experience

purchasing and quality assurance officer

Kyodo USA - Fair Lawn, NJ
April 2017 to Present

- still working
- Ensuring that products meet certain standards of quality.

Level 1 Support Engineer

Accenture
May 2016 to November 2016

- Implement and manage account unlocking, password reset through application front-end/web page.
- Providing technical support by processing trouble tickets, then check the ticket classification details and verify whether it has relevant severity.

Teacher

Bethel Marthoma Church
April 2013 to April 2016

- Tutored students at Vacation Bible school
- Coordinated in daily lesson planning

Teacher

Bethel Marthoma Church - Muscat, OM
July 2015 to August 2015

Basic training in Distributed Control System (Yokogawa Centum) and Program Logic Control (HIMA), pressure gauges, transmitters, temperature elements, control valves.

Other qualifications

- Presented a paper on Design and Simulation of a dual material gate Tunnel Field Effect Transistor using TCAD in IEEE Sponsored International Conference (ISCO'15) organized by Karpagam College of Engineering, Coimbatore.
- Published a paper on Design and Simulation of a dual material gate Tunnel Field Effect Transistor using TCAD in ARPN Journal of Engineering and Applied Sciences in March 2015.
- Attended a workshop on Device Fabrication and Characterization organized by Karunya University in the year 2015.

- Attended International Conference on Emerging Trends and Technology held at Beach Orchid, Kollam in the year 2011 - 2012.

Projects handled

- Half Semester: Design and Simulation of a Dopingless Tunnel Field Effect Transistor using TCAD.
- Full Semester - Fabrication of a GaAs MOSFET using Physical Vapor Deposition B.Tech
- Projects - Digital Voltmeter Using IC 7107 and Intelligent Combat Robot.

Education

Master of Engineering in Applied Electronics

Karunya University - Coimbatore, Tamil Nadu
2015

Skills

EXCEL, MATLAB, MS OFFICE, OUTLOOK, POWERPOINT

Additional Information

COMPUTER SKILLS

-Proficient in MS Office (Word, Excel, Outlook, PowerPoint), TCAD, MATLAB, etc.

SKILLS:

- Outstanding analytic and problem solving abilities
- Strong oral and written communication skills.
